

# EFTF IFCS 2022

April 24-28 2022 | Paris | France

Three years after the last in-person IFCS and EFTF, join us in Paris at the 2022 joint EFTF and IFCS conference, to be held at the "Cité des Sciences" science museum.

## CALL FOR PAPERS

### IMPORTANT DATES

**DECEMBER 17, 2021**

Abstract submission deadline

**FEBRUARY 25, 2022**

Early registration

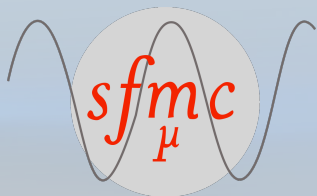

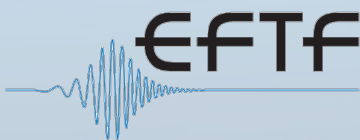

**April 24, 2022**

Tutorials

**April 25-28, 2022**

Symposium

### SPONSORS

### TOPICS

- **Group 1:** Materials, Resonators, & Resonator Circuits
- **Group 2:** Oscillators, Synthesizers, Noise & Circuit Techniques
- **Group 3:** Microwave Frequency Standards & Applications
- **Group 4:** Sensors & Transducers
- **Group 5:** Timekeeping, T&F Transfer, Telecom, GNSS & Applications
- **Group 6:** Optical Frequency Standards & Applications

### PROGRAM

- Invited and contributed presentations, in three parallel sessions
- Two plenary sessions
- Tutorials in time and frequency metrology
- Two poster sessions in a 1000 m<sup>2</sup> hall
- Exhibition by industrial sponsors around the conference rooms
- EFTF and IFCS awards, Student Paper Competition
- Gala dinner at the "Cité des sciences" museum

### ORGANIZERS

#### General chairs

Jérôme Lodewyck  
SYRTE, Observatoire de Paris  
Eric Burt  
NASA, Jet Propulsion Laboratory

#### Technical chairs

Yann Le Coq  
SYRTE, Observatoire de Paris  
Andrew Ludlow  
NIST

#### Tutorial chairs

Jerome Delporte  
CNES  
Troy Olsson  
U. Pennsylvania  
Per Olof Hedekvist  
RISE Sweden  
James Camparo  
The Aerospace Corporation

#### Finance chairs

Fabrice Sthal  
SFMC  
Debra Coler  
OEwaves, Inc.

#### Awards chairs

Ronald Holzwarth  
Menlo Systems GmbH  
Craig Nelson  
NIST

#### Academic chairs

Pascale Defraigne  
Royal Observatory Belgium  
Azadeh Ansari  
Georgia Institute of Technology

#### Exhibit chairs

Greg Weaver  
Johns Hopkins APL

#### Diversity and inclusion chair & WIE chair

Sinda Mejri  
European Space Operations  
Centre - ESOC
